

The
Central Florida Library Cooperative

invites you to join us for our

20th Annual Meeting – “A Green Annual Meeting”

at the City Island Library
Volusia County Public Library
Daytona Beach, Florida

December 12, 2008

10:00 a.m. - 2:00 p.m.

Special *Green* Presentations by:

– *Gary C. Krueger*

Gary C. Krueger, PE, CM LEED AP, Principal and Division Director, TLC Engineering for Architecture. Mr. Krueger is in charge of the building of the Deltona library for Volusia County Library System (Volusia County's first certified green building). In keeping with the theme "Going Green", his talk will address the LEED strategies used in the Deltona Library, and also address some strategies for greening existing older buildings.

– *Katrina Locke*

Katrina Locke, a member of the "Green Volusia" committee and manager of Lyonia Environmental Learning Center at the Deltona Library (currently being constructed) will speak on "Greening your Library."

Continental Breakfast and Luncheon provided.
